ACTION APPLIANCE REPAIR

ATTENTION: MR. GLEN CAMPBELL

This letter is to commend Mr. Campbell on his outstanding service that he has provided to me and several friends and associates over the past 7 years.

During this time, Mr. Campbell has always been prompt, efficient and above all fair & honest.

Most people to whom I recommended Action Appliance Service, call after Mr. Campbell has been to their home to thank me. They are all well pleased with his service.

I will continue to use his services and always recommend him to any friends or associates.

Sincerely
Horst Weiler
